

# Cameron Dugan

(603) 703-4018  
cameron.dugan@protonmail.com

## ACHIEVEMENTS

### Eagle Scout

The highest rank in the Boy Scouts of America. Requires Volunteering, participating in various levels of leadership, and lots of teamwork.

### MIT Battlecode Finalist

A restrictive Java programming competition for mostly college but also high school students. Competed as a team of highschool seniors and made it into the top 13 teams overall in the final tournament.

### New Hampshire Scholar

An award that goes to those that take extra courses, maintain a minimum of a 3.2 cumulative GPA and complete a highschool internship. My internship involved helping a local author maintain and update her website.

## EDUCATION

### Wentworth Institute of Technology, Boston— *Bachelors*

September 2020 - Current

Currently working on my Bachelors in Computer Science

### The Academy for Science and Design, Nashua— *High School*

August 2016 - June 2020

One of the best high schools in the state

## Projects

### CameronDugan.com – Status: Running

I have a blog made with the static website generator: Jekyll. My posts are written in markdown, added to github, and automatically pulled to my remote server in New Jersey.

### Arbidor – Status: Running, Incomplete

A game that I've made as a programming challenge. Limited storage space, lines of code, sound fidelity, and screen resolution. Written in lua, but can run on mac, windows, linux, and the web. Current build is available at [camerondugan.com/arbidoor](http://camerondugan.com/arbidoor)

## SKILLS

Very proficient in Java.

Skilled in C++/C, Python, Dart, Lua, and more

Working knowledge of Git+Linux

Experienced with web hosting

A lot of experience with automation

## EXPERIENCE

### Dominos, Nashua NH – Store CSR

June 2020 - August 2020

Took customers orders over the phone and in person, made everything on the menu, and helped delivery drivers with dishes and folding boxes.

### City Room Cafe, NH – Dishwasher Part Time

July 2019 - Early March 2020

Worked in the kitchen of a small diner before covid hit.

### Hidden Valley Scout Camp, Gilmanton NH – Dishwasher

Summer of 2018

Washed a ton of dishes each meal. Worked in a team that had to balance the needs of the chefs and the unending line of incoming dirty dishes.
